
Higher Authorities
User's AGENT.md:
"Test before commit"
Parent Agent
"Don't delete data"
Worker Agent (closest to the task)
Concrete Policy DSL (Sec.3.2)
rule tests-before-commit:
kill exec "git" "commit"
if AGENT unless after exec "go" "test" exits 0
since write "**/*.go"
because "Run `go test ./...` before committing."
rule no-delete-data:
block unlink "/data/**" if AGENT
because "Never delete R2 data"
AgPlane Compiler & IFC Policy Engine (Sec.3.3-3.4)
Userspace
OS Kernel
eBPF-based policy-enforcing programs
